Immigration Museum

Cultural Diversity Quest Awards Exhibition

23 May to 1 August 2011

This multicultural education display and online program featured schools and students who were presented Cultural Diversity Quest awards, as part of Cultural Diversity Week 2011 in Victoria. The project was a partnership between the Department of Education and Early Childhood Development and the Victorian Multicultural Commission.

Belonging: Reflections on Place

9 July 2011 to 22 January 2012

This video installation by New York-based artist Wendy Woodson explores place, transition and belonging. It provides an intimate insight into the experiences of 30 diverse individuals living in Australia and reflecting on their life journeys. Most of the 30 who participated came to Australia as migrants or refugees.

Open for (More than) Business

21 August 2011 to 27 May 2012

This photographic exhibition and documentary is about the role local businesses play in migrant communities in Melbourne. Business owners share their stories and experiences and how their businesses have become important community hubs and contributed to the diverse retail experiences offered in Melbourne.

On Their Own: British Child Migrants

12 October 2011 to 6 May 2012

A travelling exhibition from the Australian National Maritime Museum in collaboration with the National Museums Liverpool, *On Their Own* reveals the history of British child migration that occurred under migration schemes from the 1860s through to 1967.

Stolen Childhoods

12 October 2011 to 6 May 2012

Developed with the Victorian Child Migrants Trust, this display focuses on the personal narratives of former child migrants sent to Victoria and Tasmania.

Another Country: In Transit

26 November 2011 to 31 December 2012

A series of art installations by Filipino-born artists Alfredo and Isabel Aquilizan, *Another Country* features objects and photographs that evoke memories of migration, travel and home.

Sweets: Tastes and Traditions from Many Cultures

15 March 2012 to 7 April 2013

Sweets explores the history and cultural significance of sweets in Victorian communities. The exhibition highlights and contrasts the rich traditions, rituals and contemporary practices within the Indian, Italian, Japanese, Mauritian and Turkish communities in Victoria.

Ikona Portraits

2 June 2012 to 12 May 2013

Photographer Georgia Metaxas explores the notion of social identity and its connection to heritage and family history. This exhibition marks the 60th anniversary of the migration agreement between Australia and Greece.

Scienceworks

Amazing Backyard Adventures

26 March 2011 to 24 July 2011

Developed by Scitech, Perth, this interactive exhibition encourages visitors to explore the science in their own backyards.

Explore-a-saurus

1 June 2011 to 15 April 2012

This interactive exhibition features animatronic dinosaurs and forensic palaeontology exhibits. Questacon is acknowledged for its contribution to this exhibition.

Surprises of the Cosmos

27 July 2011 to 9 October 2011

Organised by the Consulate General of Spain in Melbourne, this exhibition from Spain features spectacular images of planets, nebulae, galaxies and stars.

Perception Deception

6 August 2011 to 12 February 2012

Developed by Questacon – the National Science and Technology Centre, Canberra, *Perception Deception* explores how our brains make sense of the world.

Winning Sky Photos: The David Malin Awards 2011

10 December 2011 to 1 April 2012

Developed by the Central West Astronomical Society and toured by Powerhouse Museum, this exhibition is part of an annual display of spectacular photographic images of the Australian night sky, which recognises vision, imagination and innovation in astrophotography.

Our Water

18 February 2012 to 15 April 2012

Funded by the National Water Commission and developed by Questacon – the National Science and Technology Centre, Canberra, *Our Water* informs Australians about the role and importance of water to both them and the country.

Playing with Light

24 April 2012 to 3 February 2013

Developed and toured by Scitech, Perth, *Playing with Light* engages the visitor in an exploration of the properties of light and reveals the vital role light plays in daily life.

Wallace and Gromit's World of Invention

19 May 2012 to 11 November 2012

This is an exciting journey through the world of invention, developed by Aardman Animation and produced by SGA, and inspired by Aardman Entertainment's Wallace and Gromit characters.

Melbourne Museum

Tutankhamun and the Golden Age of the Pharaohs

8 April to 4 December 2011

This Melbourne Winter Masterpieces exhibition features an array of objects unearthed from the boy king's tomb. It was presented by the National Geographic Society, Arts and Exhibitions International and IMG, in conjunction with the Egyptian Supreme Council of Antiquities.

Trepang: China and the Story of the Macassan-Aboriginal Trade

16 July to 16 October 2011

Presented by Centre for Cultural Materials Conservation, the University of Melbourne and the Museum and Art Gallery of the Northern Territory, this exhibition traces the history of the trepang trade between Aboriginal people, Macassans and China long before European settlement.

Ancestral Power and the Aesthetic: Arnhem Land Paintings and Objects from the Donald Thomson Collection

11 November 2011 to 12 February 2012

Developed by Museum Victoria in partnership with the Ian Potter Museum of Art and the University of Melbourne, this exhibition focuses on painted works collected from Arnhem Land by anthropologist Donald Thomson.

Top Design 2012

24 March to 15 July 2012

This annual exhibition features the work of most outstanding design students from Victorian high schools, working across product design, textiles, fashion, ceramics, glass and furniture. It is presented in conjunction with the Victorian Curriculum and Assessment Authority.

AglIdeas New Star and Rodchenko 120

26 April to 21 June 2012

Part of the AglIdeas 2012 design festival, this display of the top 30 'new star' student designers in 2D, 3D and multimedia was complemented by a display of Russian design work.

The Wonders of Ancient Mesopotamia

4 May to 7 October 2012

Presented by Museum Victoria in collaboration with the British Museum, this exhibition focuses on three of the great centres of ancient civilisation – Sumer, Assyria and Babylon – bringing their rich history to life through objects and multimedia.

Bunjilaka

Women with Clever Hands – Gapuwiyak Miyalkurruwurr Gong Djambatjimala

27 May to 28 August 2011

Organised by the Wagga Wagga Art Gallery, this exhibition features fibre work by women artists from Gapuwiyak in north-east Arnhem Land. It was developed by Dr Louise Hamby, MV Research Honorary Associate with the Wagga Wagga Art Gallery, and supported by a Visions of Australia touring grant.

Ritual and Ceremony

7 July to 30 October 2011

Koorie artist Maree Clarke explores the rituals and ceremonies of Victorian Aboriginal people.

Our Children, Our Future

Arts Victoria: upgrade of air-conditioning plant and equipment at Scienceworks to maximise efficiency, visitor comfort and climate control for collections

Arts Victoria: abatement and demolition of derelict buildings on the former ACI site, providing a safe and accessible site for future development

Arts Victoria and Department of Sustainability, Environment, Water, Population and Communities: implementation of the conservation management plan for the Royal Exhibition Building

The Australian and Pacific Science Foundation: funding for the research project 'Ecological and biogeographic underpinnings of spectacular diversification of murine rodents in Australasia (Sulawesi)'

Australian Biological Resources Study, through the Department of Sustainability, Environment, Water, Population and Communities: Bush Blitz survey at the National Reserve System property of Ned's Corner Reserve, Victoria

Australian Biological Resources Study, through the Department of Sustainability, Environment, Water, Population and Communities: online editing facility of taxonomic and nomenclatural information for the Australian Faunal Directory

Census of Marine Life: COSMOS Prize Fund for 'Mapping the fauna of the seafloor' research project, which aims to map biogeographic assemblages for two major taxonomic groups (brittle stars and squat lobsters)

City of Melbourne: Children's Week Grant for Melbourne Museum's *Romp & Stomp Fun Day for Children*

Copland Foundation: Conservation Grant Program support for Gupapuyngu bark painting conservation project

Council of Heads of Australian Faunal Collections Incorporated: Bush Blitz survey at the Indigenous Protected Areas of Lake Condah, Victoria

Council of Heads of Australian Faunal Collections Incorporated: Bush Blitz at the National Reserve System property of Ned's Corner Reserve, Victoria

Cultural and Community Relations Advisory Group at the University of Melbourne: Gupapuyngu bark painting conservation project

Department of Agriculture, Fisheries and Forestry: funding for the project 'Development of scientific seed identification and diagnostic information for publishing to the Pests and Diseases Image Library (PaDIL)'

Department of Education and Early Childhood Development: Children's Week Grant for Scienceworks' *Dinosaur Day for Children*

Department of Education and Early Childhood Development: 2012–14 Strategic Partnerships Program Grant for onsite and online student learning programs, teacher professional learning events and special initiatives in the sciences and the humanities knowledge domains

The Hugh D.T. Williamson Foundation: support for the fellowship for biodiversity research at Museum Victoria

The Ian Potter Foundation: support to the Ian Potter fellowship for biodiversity research, a three-year postdoctoral/early career researcher fellowship to be undertaken at Museum Victoria

IBM Australia: Scienceworks hands-on experiment laboratory from the 100th Celebration of Service Impact Grant

International Network for Scientific Investigations of Deep-Sea Ecosystems: grant for 'Mapping the World's Oceans' workshops, in association with the 13th International Deep-Sea Biological Symposium

The John T. Reid Charitable Trusts: Bunjilaka redevelopment project, specifically the *Creation Stories* cinema exhibit

National Environmental Research Program through the Department of Sustainability, Environment, Water, Population and Communities: grant for the project 'Scientific support for managing Australia's marine biodiversity – Marine Biodiversity Hub'

National Geographic Society, Committee for Research and Exploration: grant to the project 'Australia's controversial Cretaceous mammals: What are they?'

National Geographic Society, Committee for Research and Exploration: grant to the project 'Completion of preparation of the unique polar dinosaur skeleton known as Noddy'

Office of Multicultural Affairs and Citizenship: *Sweets: Tastes and Traditions from Many Cultures* festival and exhibition

Parks Victoria: biodiversity survey of Wilsons Promontory National Park

Parks Victoria: biodiversity survey of Bunurong Marine National Park and development of an associated iOS app on the marine life of the protected area

Telematics Trust: development of a mobile app for family-centred learning

Winda-Mara Aboriginal Corporation, with federal assistance from the Indigenous Protected Areas Section of Parks Australia: Gunditjmarra Budj Bim wildlife survey and ranger training project

Yulgilbar Foundation: Bunjilaka redevelopment project

VicHealth: Talking Difference regional tour

The following collaborative projects administered by other institutions received external funding and commenced during the year under review:

Australian Research Council Linkage Grant: 'Using museums to counter racism and increase acceptance of diversity among young people'; grant administered by the University of Melbourne

Hermon Slade Foundation: 'Triple jeopardy in the tropics: assessing extinction risk in Australia's freshwater biodiversity hotspot'; grant administered by the University of Melbourne

National Geographic Society, Committee for Research and Exploration: 'Evolutionary underpinnings of the spectacular diversification of murid rodents on Sulawesi Island, Indonesia'; grant administered by McMaster University

Supervisors: *Mark Norman*, Jan Strugnell
Project: Resolving the *Octopus vulgaris* problem: taxonomy, phylogeny and world fisheries

Balasubramaniam, Shandiyaa: PhD, University of Melbourne
Supervisors: *Jane Melville*, Raoul Mulder
Project: Effects of habitat fragmentation on avian immunogenetics

Bernhardt, Cathrin: PhD, La Trobe University
Supervisors: *Moya McFadzean*, Alberto Gomes
Project: Second-generation Germans: identity, belonging and trans-nationalism

Browne, Joanna: PhD, Griffith University
Supervisors: *Mark Norman*, Kylie Pitt
Project: Gelatinous zooplankton and their parasites in eastern Australia

Chapple, Stephanie: PhD, University of Melbourne
Supervisors: *Martin Gomon*, Steve Swearer
Project: Systematics and evolution of Australian weedfishes (Family Clinidae)

Christensen, Johanna: PhD, University of Melbourne
Supervisors: *Liza Dale-Hallett*, Ruth Bellin, Kate Darian-Smith
Project: Biodiversity, place and seed saving in Victoria's environmental histories

Close, Roger: PhD, Monash University
Supervisors: *Thomas Rich*, Patricia Vickers-Rich, Luis Chiappe
Project: Functional morphology of enantornithine birds

Ferraro, Paul: PhD, James Cook University
Supervisors: *Adnan Moussalli*, Chris Johnson, Peter Latch, John Winter
Project: Taxonomic status and population structure of the Mahogany Glider

Fraser, Peg: PhD, Monash University
Supervisors: *Richard Gillespie*, Alistair Thomson
Project: Ashes: oral history, museum objects and natural disaster

Haines, Maggie: MSc, Department of Zoology, University of Melbourne
Supervisors: *Jane Melville*, Devi Stuart-Fox
Project: The evolutionary ecology of alpine lizards threatened by climate change

Hastie, Darren: PhD, Deakin University
Supervisors: *Erich Fitzgerald*, Guang Shi
Project: Diversity and biogeography of Cenozoic shark assemblages in south-eastern Australia

Hocking, David: PhD, Monash University
Supervisors: *Erich Fitzgerald*, Alistair Evans
Project: Comparative feeding behaviour in captive pinnipeds with implications for wild feeding, the evolution of feeding modes and captive animal management

Keely, Claire: PhD, University of Melbourne
Supervisors: *Jane Melville*, Kirsten Parris
Project: Conservation genetics of the Growling Grass Frog *Litoria raniformis* in an urban landscape

Luna, Karen: PhD, University of Melbourne
Supervisors: *Ken Walker*, Roger Lowe, Ken Winkel, Christine Wright
Project: Molecular studies on the toxicity of Australian scorpion venoms

McLean, Claire: PhD, University of Melbourne
Supervisors: *Adnan Moussalli*, Devi Stuart-Fox
Project: Geographic variation and evolution of colour morphs in Tawny Dragon lizards

Ngo, Bernice: PhD, La Trobe University
Supervisors: *Charlotte Smith*, Tim Murray
Project: Analysis of faunal collections from the Commonwealth Block and Cumberland/Gloucester Street sites

Park, Travis: BSc (Hons), School of Life and Environmental Sciences, Deakin University
Supervisors: *Erich Fitzgerald*, Guang Shi
Project: Tracing the evolution of modern penguins (Spheniscidae) using fossils from Australia

Phillips, Anna: MSc, Department of Genetics, University of Melbourne
Supervisors: *Jane Melville*, Belinda Appleton, Philip Batterham
Project: A conservation genetics study of diversity in MHC II β immune genes in fragmented landscapes: a comparison between the endangered Forty-spotted Pardalote and two related species

Raadik, Tarmo: PhD, University of Canberra
Supervisors: *Martin Gomon*, Arthur Georges, Mark Adams
Project: Conservation biology and systematics of the mountain native trout (galaxias)

Sharp, Alana: PhD, Monash University
Supervisors: *Thomas Rich*, Patricia Vickers-Rich
Project: Finite element analysis of the skull of *Diprotodon optatum*

Smissen, Peter: PhD, University of Melbourne
Supervisors: *Kevin Rowe*, Belinda Appleton, Charles Robin
Project: Phylogeography and reproductive isolation in eastern Australian rodents

Squires, Zoe: PhD, University of Melbourne
Supervisors: *Mark Norman*, Devi Stuart-Fox
Project: Sexual selection and reproductive behaviour in native Australian squid

Thompson, Vanessa: PhD, University of Melbourne
Supervisors: *Jane Melville*, Stephen Swearer
Project: Mechanisms of self-recruitment in Australian coral reef fishes

Tomkins, Ellyn: BSc (Hons), School of Earth Sciences, University of Melbourne
Supervisors: *Erich Fitzgerald*, Stephen Gallagher
Project: Stratigraphy and palaeoenvironments of marine vertebrates from the Miocene Portland Limestone

Trusler, Peter: PhD, Monash University
Supervisors: *Thomas Rich*, Patricia Vickers-Rich
Project: Cranial anatomy of *Palorchestes*

Wegener, Benjamin: PhD, Monash University
Supervisors: *Mark Norman*, Bob Wong
Project: Sexual selection in the sea: sperm competition, female promiscuity and patterns of paternity in the Southern Dumpling Squid, *Euprymna tasmanica*

Woolley, Skipton: PhD, University of Melbourne
Supervisors: *Tim O'Hara*, Brendan Wintle
Project: Spatial patterns of deep-sea invertebrate species at oceanic scales
